Dr. Drew, the highly recognized medical expert of *Loveline*, is coming to lecture at the University of Maryland. Dr. Drew is a familiar name for college students, mainly due to the immensely popular radio program *Loveline*, which is syndicated by Westwood One to over 100 radio stations across the country five nights a week. Intelligent, compassionate, and never judgmental, millions of young people turn to Dr. Drew for answers to tough questions. Bring your questions, your sense of humor, and an open mind; and come listen to Dr. Drew talk about sex, love, and relationships.
