Student Entertainment Events Presents: The Real World's Alton Williams and Robin Hibbard!

Student Entertainment Events welcomes Alton and Robin of MTV's hits *The Real World* and *the Gauntlet Challenge 2* to the University of Maryland. This event will take place on Wednesday, April 12th at 8:00 pm in the Colony Ballroom of the Stamp Student Union. Doors open at 7:30 pm and this event is free of charge for students with a valid UMCP ID. Audience members will be given the chance to interact with Alton and Robin during a question and answer session following the lecture and will also have an opportunity to receive autographs.

The two have most recently been fierce competitors on the popular *Real World/Road Rules* spin-off show *The Gauntlet 2*, where this season Alton's athleticism and Robin's spunky personality have made them fan favorites. Before their life on *the Gauntlet 2*, Alton was known for his high energy on the Las Vegas season while Robin became a notorious figure in San Diego.

The pair will discuss their experiences on the regular seasons of *The Real World* as well as their more recent appearances on *the Gauntlet 2*. As *The Real World* has tackled serious issues in its 17 season run, the stars will address the impacts of such things as racism, tragedy and alcoholism. Thanks to the success of the series among college students, this appearance is sure to be both exciting and informative for Maryland students.
